ABOUT THE EVENT

The “IEEE SPS SCC: Student Chapter Congress 2024” will be a premier event for students and professionals in signal processing, marking its debut in India. It will be hosted by IEEE SPS Gujarat Chapter, IEEE Young Professional Affinity Group, and Silver Oak University IEEE Signal Processing Society Student Branch Chapter, with technical co-sponsorship from IEEE Gujarat Section and IEEE SPS Kerala Chapter, promising a rich agenda.

Taking place at an international level in Region 10 - Asia Pacific, congress will focus on the latest trends in signal processing, providing a platform for participants to engage in knowledge sharing and foster valuable connections within the region.

The congress will offer a comprehensive blend of education, networking, and recognition in signal processing.
