# INTRODUCTION

## ICASSP 2025, HYDERABAD, INDIA

2025 IEEE International Conference on Acoustics, Speech, and Signal Processing (ICASSP 2025), will take place in Hyderabad, India from April 06 to April 11, 2025. The 2025 edition of the flagship conference of the IEEE Signal Processing Society will be the FIRST ICASSP in India marking the 50th edition of ICASSP. It will be an in-person event at the Hyderabad International Convention Centre. The theme of 2025 ICASSP will be "Celebrating Signal Processing" and will include activities of high technical quality, many novel scientific activities, excellent networking opportunities, enjoyable social events.

We look forward to welcoming you to this Celebration of Signal Processing and its immense contributions to and possibilities for enhancing human lives through technological advances at ICASSP 2025.
